

# 3-Day Silent Retreats

Cell phones... e-mails... social media...

Too many communications, messages, so many voices...

Which are true? Which are important?

In this flurry and inundation of messages,

do we remember how to listen, to be quiet, to be still?

Perhaps the most important messages come in very quiet ways...

“Silence is a presence, a receptivity, readiness,  
a waiting, a listening...

Silence is the special sacrament of God’s presence.”

...Edward Farrell
