SPECIAL EVENT! Dedication of a HERITAGE TREE at 4:30 PM

What is a Heritage Tree?

“Heritage Trees collect and tell the stories of Ontario’s diverse and unique trees and bring awareness to the social, cultural, historical and ecological value of trees. For your tree to qualify, Heritage Trees have to be associated with a historic person or event, or may be growing on land that is historically significant. Candidate Heritage Trees are also assessed for form, shape, beauty, age, colour, size, rarity, genetic constitution or other distinctive features and/or as a prominent community landmark, however its historical or cultural significance is of most importance.”

Come learn the historical significance of this red oak tree, admire its many features, and celebrate its presence in our neighbourhood. After the dedication, enjoy a walk around the property.
